LIVE. WORK. RELAX.

Rest easy.

Welcome to the guest preferred leader in extended stay hotels. That's because when business or personal reasons require lodging for a week or more, hotels designed for stays of a night or two just don't cut it. At Candlewood Suites®, guests live, work, and relax on their own schedule. Not ours.

Candlewood is carefully designed to allow our guests to actually live comfortably while away from home. And when the workday is anything but 9 to 5, they find it's easy to work here too. We haven't forgotten about the importance of down time either. When it's time to just relax and chill out, we've got it covered.

In fact, in survey after survey, we are consistently named an industry leader in guest satisfaction. Guests tell us that although they may have chosen us initially because of our affordable rates, they return again and again for the value that is uniquely Candlewood Suites.

THE GAZEBO GRILL

Sometimes, food just tastes better on the grill. And when our guests have a taste for a juicy burger, steak, or even grilled veggies, they just fire up the gas grill at our Gazebo Grill. An outdoor dining area is provided for eating under the stars.

Guests can microwave some popcorn, pour a cold drink, and settle back in their overstuffed recliner and catch up on movie viewing in the comfort of their suite. Each suite features a VCR (and/or a DVD player) and a CD player so guests may enjoy free videos/DVDs or CDs from the Lending Library.
